Community engagement in Hove – Improving our environment

In the presence of His Worshipful the Mayor of Brighton and Hove City Council,
Cllr Alan Robins

Ralli Hall, 81 Denmark Villas, BN3 3TH

Glebe Villas Trees

Success!

we have listened
to your concerns:

The trees will be
planted in new
underground
tree cages which
prevent roots from
damaging pavements
and property.

Hear how communities across Hove and Portslade are helping to improve our City.
Presentations about West Hove Seafront, the new Hove Station Quarter, community tree planting in Glebe Villas, the work of the Hove Surf Life Saving Group - and the next sculpture on the Hove Plinth.

The Chief Executive for Brighton and Hove City Council, Geoff Raw, will set out how the city is looking to develop its cooperation with communities volunteering to improve their environment.
