**"Pocket Parks -What are they? How do we get one?
What is happening locally?"**

Guest speaker: David Chambers

This event will explore the development of pocket parks in Hove and Brighton, including the development of the HCS-led St Aubyn's Pocket Park.

David is co-founder of Aberrant Architecture, an award-winning architecture and design practice. David has delivered civic, cultural and community projects at a variety of scales and is an experienced facilitator of community involvement in design and regeneration.

Wednesday 22 March 2023, 7pm Ralli Hall

"Brighton before the Royal Pavilion"

A talk by Geoff Mead

This talk looks at Brighton before leisure pursuits and the royal family stamped that image on the place; a town of fishermen and small farmers on an unforgiving storm-wracked coast with steep hills as its backdrop. We look at the physical landscape of chalk downlands and shingle shorelines and why, even pre George IV it was an important town.

Wednesday 19 April 2023, 7pm Ralli Hall
Annual Forum: Art and planning - how public art can transform cities.

This year our forum will focus on the power of art in transforming townscapes and what is happening nationally and locally. Presentations by Katy Lock from Town and Country Planning Association; Richard Wolfströme, consultant to Moda Hove Public Art Strategy; and Karin Janzon, lead on Hove Plinth, followed by discussion.
